From

The Inspector General of Police.
Forwards Copy of Proceedings
of the meeting of the Cinema
Board held on 18.6.1932 and
requests orders of Govt regarding
the resolutions in the matter of
providing for remuneration of
members examining & certifying
and on the resolution recommends
a graded scale of examination
fees

1) The first Resolution proposes that
3 members may be fixed as the limit
for attending any cinema show for
examining & certifying any film
& that each of the three members
may be paid Rs 15/- for examination
fee for each film.

2) The I. G. P. opines that it is
a reasonable change. He considers
that there may be a dozen films
in a year and the expenditure may
be met out of the education fees
now being credited to the Rs 5/-
certification of films. The receipts are
estimated at Rs 5000/-

3) The second Resolution recommends

the following scale of fees:-

Rs 5/- may be charged for every
1000 ft. examined & certified in any

Rs 2/8/- up to 500 ft.

Rs 5/- for any length above 500 ft.
up to 1000 ft.

Further examination of films already
certified elsewhere -

0/8/- up to 500 ft.

1/- between 500 & 1000/-

1/- for every 1000 ft.

Mr J. G. P. considers that the
existing rate viz. Rs 5/- for every
1000 ft. is causing some difficulty
to the Exhibitors.

The fees for certifying in some parts
of Provinces are as follows:-

Bengal: Each member for each exhibiting Rs 16/-

(the Sub-Committee consisting
of not less than 2)

Bombay: Each member is paid Rs 16/-

for each meeting of the Board

& a fee of Rs 2/- per 1000 ft. or
fraction of film examined.

Subject to a minimum of Rs 10/-

& a max. of Rs 20/-

Madras: Members are paid at the rate

of Rs 10/- for two 1 1/2 hours &

Rs 5/- for every additional hour

5) The Board has proposed a rule regarding the amount of fee to be levied for certification of films of less than 1000 feet. The proposal is to charge the full rate for every 1000 feet, half rate for portions up to 500 feet and full rate from 500 to 1000 feet. Instructions were issued that charge may be made on the pro rata basis if films are less than fractional portions of 1000 feet. The Board's proposal which is ~~decided to be~~ more convenient for working may be adopted.

I agree
am

6) Another resolution of the Board suggests that the number of members sitting for examination of a film may be limited to three, or that each member may be paid a fee of Rs 15/- for each sitting. The J. G. P. proposes that this fee be paid out of the collections of the Certification fees. This seems to mean that the film exhibitors or producers do not pay the sitting fees. But it was originally suggested that this sitting fee should come

out of the films. In their resolutions dated 29.6.31, it has been moved by the Board that the fees leviable for the certification of a film be Rs 20/- for each meeting of the Board sitting. In the discussion which the I. G. P. had with the Second Member, he also gave to understand that sitting fees are given do not in addition to the charge of Rs 5/- per 1000 feet. The I. G. P. was asked to get the rules of other places. He has now sent letters received from Bombay, Calcutta & Madras. They do not say if sitting fees are levied from the films in addition to the certification fees. Re Bombay letter seems to indicate that the sitting fees are paid out of the certification fees fund.

7) There is however no provision made in the rules for charging sitting fees in addition to certification fees, & it is probably hard to levy both. If the sitting fee is not to come out of the films, the question is if the fee of Rs 15 for each member for a sitting is not too high. For a film of 10000 feet, the certification fee will be ~~Rs 200~~ Rs 50. The members will be able to examine only a film of that length at a sitting, as the operation will take 2 or 2½ hours. The sitting fee to be paid to the members will be Rs 15. Thus the sitting fees will take almost the whole of the certification fees.

Regd'

22.2.31

& in cases where the film is less than 10000 feet the sitting fee will be more than the certification fee got from the film. Further there is no provision for cases where films of shorter length viz 3000 or 4000 feet are examined. In the case of films which are ~~examined~~ censored outside & which are re-examined here where a doubt arises if excised portions are again inserted, the length of film to be examined may be short. It would be too high a fee to pay Rs 15 a member for doing half an hour or an hour. Probably a sliding scale as in Bombay is more suitable. A fee of Re 1/- per member for every 1000 feet with a minimum of Rs 5/- & a maximum of Rs 10/- will be more suitable for our str. This will keep the ~~certification~~ sitting fee within the certification fees in all cases where the fee for examination at a sitting is not less than 3000 feet & it is not likely to be less.

8) As regards the membership mentioned it may be fixed at not ~~less~~ more than the so that in some cases even one or two may be sufficient.

To

N. MADHAVA RAO, Esqr., B.A., B.L.,

Chief Secretary to the Government of Mysore,

BANGALORE.

SIR,

I have the honour to enclose herewith a copy of the Proceedings of the Cinematograph Board Meeting held on the 18th June, 1932, and to state as follows:--

As regards the first resolution referred to therein the members present at the meeting were unanimously of opinion that they should be given a reasonable charge for examining and certifying a film and that each member attending the show for such examination should get at least Rs.15/- and that the number of members attending such an examination should be restricted to three. I am also of the opinion that this is a reasonable charge for the service rendered by them. During this official year, 3 films have been examined and certified and probably the total number of films to be examined and certified for one year may not be more than a dozen. Should Government accept this resolution they may further be pleased to authorise the Comptroller to meet the cost out of the collection of the Cinema Film certification fees now being credited to "XIII Miscellaneous 5 Miscellaneous Certification of Films"

In this connection I also enclose herewith copies of letters on the subject received from the Certifying Authorities in Bombay, Bengal and Madras as required in the last para of your letter No. P. 3645(1) Legis. 7-31-5 dated 29th December, 1931

2. As regards the second resolution, some difficulty is experienced on the part of the Cinema Exhibitors who now have to pay fees at the rate of Rs.5/- for every thousand feet or fraction of a thousand feet of films examined. To obviate this difficulty this resolution is adopted which will act as a great relief to the Cinema film producers and exhibitors as the following details

will show :--

Supposing a film certified is 7364 feet; for the 7000 feet we charge at the rate of Rs. 5/- per thousand feet or Rs.35/- in all and for the balance of 364 feet also we now charge another Rs.5/-. If the resolution now put forward is accepted, for the 7000 feet we will be charging at the rate of Rs.5/- per thousand feet as heretofore and for the balance of 364 feet we will charge only Rs.2-8-0 instead of Rs.5/-; Any length between 500 and 1000 feet being charged Rs.5/-.

Likewise films already censored elsewhere and exhibited in Mysore without a further examination will be charged Re.1/- per thousand feet; and Annas 8/- upto 500 feet. Any length between 500 and 1000 feet will be charged Re.1/-.

I request that early orders of Government may be obtained on the two points raised in the above.

I have the honour to be,
Sir,
Your most obedient servant,

Copy of letter No.14814 dated 3rd March 1926 from the Secretary, Bengal Board of Censors, to the Inspector General of Police in Mysore, Bangalore City.

With reference to your letter No.C.374/25 dated the 24th February 1926, addressed to the Commissioner of Police, Calcutta, I am directed to state that a fee is charged at the rate of Rs 5/- for every thousand feet or fraction of a thousand feet of films examined.

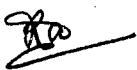

As regards the credit of fees, I may state that there is a Local Fund here ~~xxxxix~~ constituted under article 226, clause (1) of the Civil Account Code, Vol.1, called the Cinematograph Act Fund to which all sums recoverable under the Act are credited and from which all expenditure incurred in carrying out the provisions of the Act are met.

In regard to the rate of fees paid to the members for examining films, I may point out that films are, as a rule, examined, in the first instance, by an Inspector of Films appointed under the Board. In the event of the report of the Inspector being unfavourable, or in the event of the Board being doubtful as to the suitability of a particular film for public exhibition, or in the event of a representation regarding any film from the public or from the applicant for examining the film, the Board appoint a Sub-Committee consisting of not less than two members, to view the film and each member, official or non-official, is paid a fee of Rs 16/- for each ~~xx~~ such sitting, irrespective of the time they devote for this purpose.

If there are any further points of detail arising out of these matters, I shall be glad to give you all the information needed.

Sir,

With reference to your letter No. P. 1436-37 Legis 7-31-43 approving the suggestions made by the Cinematograph Board in the matter of fixing sitting fee payable to members of the Cinematograph Board for examining and certifying films etc., I have the honor to state that the Government order is not clear as to the head of accounts to which the expenses incurred in this connection will have to be debited. Clear instructions may kindly be caused to be issued in this matter so that complications in the preparation of the bill may be avoided. The order will be brought into force from 1.10. 1932.

I have the honor to be,

Sir,

Your most obedient servant,

F. A. Hamilton
Inspector General of Police.
